VSP-MCW-001 / REV 01 / PUBLIC / ISSUED 25 NOV 2026

01 / Submit

Route deadline, interview, attribution, correction or publication questions through Public Correspondence and select MEDIA.

02 / Receipt

Technical acceptance returns a VSP-COM receipt identifier. Receipt confirms acceptance by the public gateway, not a guaranteed response time or editorial outcome.

03 / Review

The inquiry is routed for assessment. Do not send credentials, classified information, controlled technical data or sensitive personal identifiers.

04 / Response

Responses, when provided, use the reply address supplied with the inquiry. Verify published records against the Vesper public register when appropriate.
