Vesper releases controlled public media packag

Vesper has published VSP-MEDIA-001 Rev 02, consolidating approved identity assets, organization facts, citation guidance and public-affairs workflow into a single controlled release. The package replaces an incomplete visual issue of Rev 01 and establishes the current external reference set.

STATE	CURRENT
PACKAGE	VSP-MEDIA-001 / REV 02
SUPERSEDES	REV 01 / INCOMPLETE VISUAL ISSUE
RELATED	VSP-FS-001 / VSP-CIT-001 / VSP-MCW-001

Material revisions remain identifiable under VSP-PUB-001. Obsolete assets are not silently promoted to current status.
